

Reservations

When making reservations, include the name of your group, number of specific watercraft desired, number of camping units, dates, trips you wish to make, and time of arrival. The person reserving watercraft or campsites will be responsible for 50% deposit in the event of cancellation. Deposits must be received within 12 days of making reservation or you run the risk of losing your reservation. Deposits will be returned when trips are cancelled 30 days in advance. If inclement weather occurs, rain checks issued cannot be used during Saturdays in July or the first 2 weekends in August. No refunds due to weather or high water conditions (owner's discretion). No refunds for inclement weather of overnight trips or any rescheduling. No camping refunds for early departure or inclement weather. Check out time for campers is 12:00 noon unless arrangements have been made with management. A credit card is encouraged to quickly secure your reservation.
